VACCINE RESEARCH INTERNATIONAL PLC

CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2010

The chairman presents his statement for the period.

Introduction

During 2010 the Company progressed research and development into the vaccine which will pari passu improve the intellectual property position. The Board has been reduced in number in the last quarter of the year and have appointed a Non-executive Director and Acting Chief Executive Officer.

Board of Directors

At the Annual General Meeting held on 8 September 2010, Dr Jean-Marc Saffar and Mr Gilead Raday, who were Non-executive Directors, left the Board following majority shareholder vote. Mr Kevin Murray was subsequently appointed by the Board as a Non-executive Director and Dr Gordon Skinner was appointed Acting Chief Executive Officer; shareholders will be given the opportunity to approve these appointments at the next Annual General Meeting to be held on 18 May 2011. The Board intends to appoint one more NED when a suitable candidate is identified.

Chief Executive Officer

Mr Richard Llewellyn resigned as part-time CEO on 8 September 2010. Dr Gordon Skinner was appointed as acting CEO until a suitable replacement for Mr Llewellyn is found.

Fundraising

A collaborative agreement with a major pharmaceutical company to carry out tests on the sera from our Phase I trial was agreed in October 2010 and a payment to VRi of \$200,000 in respect of this agreement was negotiated. Further fundraising activities will be initiated in 2011 to support ongoing scientific studies and further clinical trials of the vaccine.

We are actively seeking funding wherein our present finances will allow continuation of our developmental programme until July/August 2011. We have ring fenced certain critical components of the development programme namely protection studies which will allow definition of final dose, level of vaccine and vaccination schedule, identification of immunological markers which will be required for release and potency tests prior to our Phase III trial and stability studies on the vaccine which will establish its shelf life for global marketing.

We are targeting four possible funding sources namely, pharmaceutical companies, venture capitalists and seeking collaborative grants with Universities, Government Institutions and their Agencies for example Oxford Innovation who are presently preparing a quotation for a Business Plan which is specifically targeted towards funding in the particular sector in which Oxford Innovation have specialised expertise. This latter sector has of course shrunk during the last year in these constrained finance times and indeed a number of these bodies have disbanded.

Notwithstanding these adverse factors the Company are confident that we will take this product to global marketing.

Scientific Research

During 2010 we achieved encouraging results from important experimental work to examine the protective efficacy of vaccine SA75 We now propose to establish vaccine dosage and immunisation schedule towards further models of protection and Phase II/III clinical trials. In collaboration with known experts in the field, we are establishing immunological markers of efficacy which will be required at a later date in post field evaluation of vaccine efficacy and in potency release specification. Genetic analysis of the vaccine strain S.aureus P/DFO 75 which is required by regulatory authorities in the UK, Europe and the USA, will be conducted in collaboration with a local University.

CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2010

Intellectual Property Rights (IPR)

We have progressed with our Patent Cooperation Treaty application to make patent filings at the national and European level and the PCT application is undergoing examination in Australia, Brazil, Canada, China, European Patent Office, India, Japan, Mexico, Singapore and the United States of America.

Summary

We are pleased with scientific progress during 2010 and plan to continue with further important studies during 2011 towards the initiation of the next clinical trial.

The directors present their report and the financial statements for the year ended 31 December 2010.

PRINCIPAL ACTIVITIES

The financing and conducting of the Phase I trial of a specialist vaccine to combat staphylococcal infection.

BUSINESS REVIEW

A review of the company's business during the year has been included within the Chairman's Statement.

RESULTS

The loss for the year, after taxation, amounted to £275,930 (2009 - loss £100,387).

DIRECTORS

The directors who served during the year were:

K Murray (appointed 6 October 2010)
Dr A Ahmad
R W Stevens
Dr G R B Skinner
R J Llewellyn (resigned 8 September 2010)
Dr J M Saffar (resigned 8 September 2010)
G Raday (resigned 8 September 2010)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

VACCINE RESEARCH INTERNATIONAL PLC

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2010

PROVISION OF INFORMATION TO AUDITORS

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditors in connection with preparing their report and to establish that the company's auditors are aware of that information.

PAYMENT POLICY AND PRACTICE

It is the company's policy to settle the terms of payment with suppliers when agreeing the terms of the transaction, to ensure that suppliers are aware of these terms and to abide by them. Trade creditors at the year end amount to 14 days (2009: 7 days) of average supplies for the year.

AUDITORS

The auditors, Haysmacintyre, will be proposed for reappointment in accordance with section 489 of the Companies Act 2006.

This report was approved by the board on 5 April 2011 and signed on its behalf.

Dr G R B Skinner
Director

VACCINE RESEARCH INTERNATIONAL PLC

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF VACCINE RESEARCH INTERNATIONAL PLC

We have audited the financial statements of Vaccine Research International Plc for the year ended 31 December 2010, set out on pages 7 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

VACCINE RESEARCH INTERNATIONAL PLC

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF VACCINE RESEARCH INTERNATIONAL PLC

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2010

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

1.2 Going concern

In February 2011, the company received funding of £124,286. The directors have budgeted to show that these additional funds will allow activities to continue until March 2012, following which further funds will need to be raised.

1.3 Intangible fixed assets and amortisation

Intangible fixed assets are stated at cost less amortisation. Amortisation is calculated to write down the cost of all intangible fixed assets by equal instalments over their useful economic lives on the following basis:

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Equipment	-	Reducing balance
-----------	---	------------------

1.5 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are discounted.

1.6 Share based payments

FRS 20 requires the Company to recognise the expense in respect of granting over shares to employees, directors or other parties. This expense, which is calculated by reference to the fair value of the options granted, is recognised on a straight line basis over the vesting period based on the Company's estimate of options that will eventually vest. The Directors have used the Black Scholes model to estimate the value of options granted in the current and prior periods.
